Report of My April 2010 Death-Row Visit to **Mumia Abu-Jamal**

In April 2010, Philadelphia journalist Linn Washington, my friend Anton Reiser, and I had the opportunity to visit the probably most famous death row prisoner of the world, Mumia Abu-Jamal at SCI Greene in Pennsylvania. At this event, I will talk at length about our 6-hour visit as well as Anton’s and my coast-to-coast trip through the U.S. during which we learnt much about the Free Mumia- and anti-prison movement in the U.S.A.
